A little wellness is of course also part of the experience. On Mondays, Wednesdays, and Fridays, you can enjoy our Finnish sauna (90°C) and bio sauna (65°C) in pleasantly warm temperatures from 5 to 8 p.m., upon request and for groups of four or more. On our family tent pitches, at the "Buffalo Valley" tent area, at the rental caravans, and at our youth and group campsite, there are pre-installed fire pits with grill grates available for use. The Fairytale Houses are also equipped with their own central located group barbecue area.

Nothing beats fresh bread rolls in the morning. At the entrance area of our campsite, you will find a bakery run by the Gillen company with a small self-service shop. You can check the opening hours on the entrance door of the bakery.

Grocery Stores & Supermarkets

If you do feel like cooking, you will find the nearest supermarkets in Türkismühle (Edeka and Netto) as well as in Tholey (Edeka, Lidl, Aldi), where there is also a drugstore (dm). If you happen to forget something while shopping, there is also a small supermarket on the opposite side of the lake in the Market Dome of Center Parcs, where you will find a limited selection of products.

NON-STOP FUN

Beach areas Lake Bostalsee

Strolling through warm sand with your feet and then sprinting into the cool waters of the lake – that's what a day of your holiday at Lake Bostalsee could look like. During the bathing season, you can choose between two beach areas: Bosen and Gonnesweiler.
At the Bosen beach, you can show off your skills on one of the four volleyball courts or get your adrenaline rush on the 25-meter wave slide. There is also a playground waiting for small kids. Afterwards, you can taste your way through the snack options right in the beach area.
At the Gonnesweiler beach, a volleyball court, a playground and a beach bar (SolLuna Club) are also waiting for you.
Please note that, for fire safety reasons, it is not permitted to bring shishas (hookahs). Barbecuing is also not allowed in the beach areas. Therefore, bringing your own grills as well as any open flames is prohibited. This applies not only to the beach areas but to the entire environment at Lake Bostalsee.
Dogs are also unfortunately not allowed in the beach areas.

NON-STOP FUN

Water sports

Lake Bostal is an Eldorado for water sports enthusiasts: cruising on a sailing boat, paddling on a stand-up paddle board, wing foiling, gliding across the water on a surfboard, diving to the bottom of the lake in full diving gear, or sailing across the lake in various types of boats available for rent.

If you would like to learn surfing or stand-up paddling, you can sign up for courses at Lakeride Bostalsee. For sailing lessons, you can register at the Saarland Sailing School of the Saarland Sailing Association. Wing foiling courses are also offered by Lakeride.

Boat hires

Two sides of the lake – two boat rental stations. On both sides of the lake, Bosen and Gonnesweiler, you can choose between pedal boats and electric boats for rent. However, rowing boats and paddle boats are only available at the Bosen boat rental.
Please understand that dogs are not allowed on the boats, and a deposit item (e.g. your driver's license, health insurance card, etc.) is required to rent boats at Bosen.
You can find the opening hours and terms and conditions of the Bosen boat rental here.

Click here to go to the Gonnesweiler boat rental – the Cycle Center of Center Parcs.

Whether it's on one of the playgrounds at the beach areas, the adventure playground on the festival meadow in Bosen, the indoor play paradise Bosiland, the children's farm, indoor playground or bungee trampoline at Center Parcs, or the new water playground at the lakeside promenade in Bosen.
How about a game of footgolf with the whole family? If you prefer mini golf, you'll be spoiled for choice when deciding which course to play. The indoor course at Center Parcs is a great alternative in bad weather, while the outdoor course there (registration at the Center Parcs reception) and our 12-hole course (clubs and balls available at our reception) are waiting for you and your fellow players in good weather.
If you ever want to change your perspective, a visit to "The Upside-Down House" in Gonnesweiler is highly recommended.
